

Dancin' Stars School of the
Performing Arts Presents:

20TH ANNIVERSARY

" STAR STRUCK "

Thursday, June 16, 2022

Michael J. Fox Theatre

7373 Macpherson Ave, Burnaby BC

A Message from the Director

I am very proud to present "Star Struck 2022". In 2001, I started teaching one student in my garage. As the classes grew, I took over half of my parent's home. As the demand got greater, I hired instructors and over the years the studio has grown from one to hundreds of students.

I saw my students grow, not only as dancers but as individuals. There has never been a dull moment. I learn something everyday and not only has that made me stronger and wiser, but it keeps me motivated and wanting to strive for more. My dream came true. Everyday when I walk into the studio, I can't believe that I own a dance studio.

First of all, I would like to thank all the wonderful volunteers; backstage helpers, ushers, instructors and parents. Thank you Techno Monkey, Vibrant Photos, Laura Gautreaux, Delynn Montes, Shir Barzel, Casey Teng, Wingee Lee, Dayna Horn, Yoshi Hisanaga, Taylor Winters-Sproule, Clare Gillese, Petra Ayedzi, Karima Essa, Yeshvi Mehta, Joshua Fernandez, Emma Misak, Dane Warren of MAD JAZZ LIVE for generously donating your time. Thank you to our costume designer Krista Beech from FFiVA Athletic Wear for making our dancers look amazing! THANK YOU

To my efficient and hard working office assistants: Laura Gautreaux, Delynn Montes, and Shir Barzel; thank you for not giving up when things get complicated and overwhelming. Taking on new projects and ideas, working endless hours and still being able to keep a smile on your faces is truly a gift! You amazing people help keep the studio running and organized!

I would also like to thank all Dancin'Stars students for their hard work, dedication and drive to learn! You should all be very proud of yourselves. You have all come a long way and have improved immensely! WOW, what a great and inspiring year....a job well done to all.

Last but not least, thank you to my devoted family & daughter. Mom and Dad, I am forever grateful. Without your patience, support and guidance, this event and the studio would not be possible! To all my wonderful friends: thanks for keeping my spirits high, pushing me to the next step, keeping me motivated, providing ongoing support and believing in me! It would have been hard to do this all on my own and I cannot express in words how much all of you have impacted my life! I appreciate all of your continuous help and patience! Thank you very much!
