Levels: **Beginner: 0-2 years experience, Intermediate: 2-4 years experience, Advance: 4+ years experience**

all levels are instructor's discretion.

*I understand that instructors may be away from classes or may even need a leave of absence. Sometimes this is for one or two classes, however, they can be away for longer. The reasons may vary: illness, maternity leave, and family emergencies, etc. One of the major reasons is because they are professionals and often do shows, productions and out of town gigs. We assure you that when we provide a substitute instructor we find a qualified teacher to suit each class, often recommended by the teacher who is on leave.
